DID YOU KNOW?

Being card only helps us to do our bit for the environment, we save 1000's of rubber bands and coin bags from going to landfill every year.

We compost all of our food scraps and our takeaway coffee cups and lids.

You can compost your takeaway pizza boxes, simply remove the greaseproof liner and pop the box in your compost.

We are straw free and all proceeds from the sale of our stainless steel straws go directly to the charity Onestraw who organise coastal clean ups in Perth.

We have been feeding our Sourdough culture with love for over 10 years.
